

Introducing the better choice . . .

High speed and high performance single thread chainstitch sewing machine for closing filled sacks and bags and simultaneously attaching two paper strips for "easy open" closure. Strips and thread chain are trimmed automatically by an electro-pneumatically operated guillotine cutter.

Internal forced lubrication. Shell design casting. Low noise and vibration.

Start-Stop: automatically by feeler controlled proximity switch

Voltage: 24 V DC

Strip and thread chain
trimming:

automatically by electro-pneumatically operated guillotine
cutter, control impulse in control box of column.

Maximum speed: up to 2000 R.P.M., depending on material and sewing operation.

Stitch type: 101

Capacity under presser foot: 7 mm

Stitch length: 6.5 -12.5 mm, standard setting 8 mm

Sewing capacity on
paper bags:

up to 24 plies of paper
